Go to BHS1972.org for more information. Our website has links to photos and biographies from our 2023 reunion. There is also a list of about 70 deceased classmates with links to obituaries for most of them.

Color Senior Photos?

A name badge will be given to you when you arrive at the reunion. Your badge will include your yearbook photo. During the reunion we'll also feature a slideshow of most of our classmates' photos on TV monitors. Yearbook photos have been scanned and colorized, but when a color senior photo is available it is used for better quality. If you have color senior photos of our classmates, please scan them and email them or just mail them to John well in advance of the reunion. Mailed photos will be returned at the reunion.

Biographies & Messages?

Whether you are attending the reunion or not, please submit a short bio and/or message/greeting to share with classmates. If you submitted a bio last year, consider just giving us a little update and greeting. Include your name (Debbie vs Debra, etc.) and your current hometown. You may include your phone number, email and mailing addresses, but if you have any concerns about sharing personal information do not include them. Bios should mostly tell us about you. Maybe give some details about your family, health, work, hobbies, associations, other interests, etc. Somewhere between more than one paragraph and less than a full page would be nice and concise. Email or mail to John before August 5th.
