Remembering Junior High School

From the February 17, 1949 issue of The Bridgeporter
“This is the architect’s rendering of the proposed new school...”

This is the cover of a promotional brochure published by the Chamber of Commerce c.1960. FYI...at that time my family (Blehm) lived at 6248 McKinney St. - the arrow is pointing to it.

Classmate Biographies & Messages

Barb Weideman Konuszewski
Saginaw MI

Hi Classmates -

I have been married to Don Konuszewski nearly 51 years (he is from the BHS class of 1970). Our family has grown over the years. We have three adult kids and seven grandkids. We are fortunate that they live in the state and we get to see them somewhat regularly.

Rita Watz is still my bestie - but she lives in sunny Florida, so our relationship is mostly text messages and random visits here and there.

Both Don and I have been retired for a few years and we Love it! We both enjoy nature - feeding the birds, wildlife photography and summer flower gardening. Summer music concerts, movies and going to see our grandkid's events keeps us busy as well.

We have always had a pet or two throughout our marriage. Our current one is a Llewelin Setter, named Scout. He is going on ten years old now. He sheds like crazy. Wherever we go, we carry a part of him with us. Life is Good.

Peace to all.

The reunion is on my calendar. Looking forward to attending!

Bethany Spitz Beck

Bridgeport MI

I graduated in 1972 and married William Beck in 1973. He is a 1971 graduate from Bridgeport. We moved to Norfolk, Virginia, as William was serving his time in the Navy.

In 1975 we moved back to Bridgeport and raised our son & daughter. Now in our retirement days we love to travel the US and do lots of camping.

Thank you to you and Kathy for all your hard work! Jim and I were sad we were not able to attend. I am sure it was a wonderful time [in 2023].

Robert J. Schultz

Larkin Twp, Midland Co MI

rjsmeister@airadv.net

I have been married to my wife LouAnne for 46 years, and we have two children. My daughter, Jyl is 39 and has three sons and lives in Midland. My son, Kent, has 1 daughter and lives in Bentley. LouAnne and I have been residing in Frankenmuth for the past 27 years, but we built a new home that is on 5 acres in Larkin Township in Midland County.

I have been retired for over 10 years, after spending 25 years as a career Firefighter/Emergency Medical Technician with the Buena Vista Fire Department. Five years before that I was a volunteer with the Bridgeport Fire Department and worked for EMS Ambulance. LouAnne is also retired after spending over 30 years as a teacher in the Bridgeport-Spaulding School system.

Currently I own a small business, Michigan Fire and Corporate Medical Education, LLC, and I instruct CPR/AED/ and First Aid to employees of various corporations and companies around the State of Michigan. I also hold licenses and certifications as an Emergency Medical Technician Instructor and Fire Fighting Training council instructor. I also head up and am on the Board of Directors for the Michigan branch of Emergency Services Rescue Training, Inc., a group that teaches safety procedures addressing emergencies in the agricultural setting. We present and do hands-on training to First Responders and members of the farm community. I was also on the Executive Board of Directors for many years for the group Michigan Rural Emergency Medical Services, a non-profit that addresses the needs of rural EMS organizations. For many years I was an Adjunct Instructor for Delta College in the areas of Emergency Healthcare and Fire Sciences. I also am on the Board of Directors for the Frankenmuth Conservation Club

My primary hobby is deer and bear hunting. I also like to trap shoot.

My favorite teacher was Mr. Ken Clark, our speech teacher and forensic coach.

Hi John, first off thanks much for the info on the class reunion...Please keep me in the loop as maybe one time I will be able to join. My husband has been pretty sick the last year and a half, and its kinda hard to travel too far with him...we will not be coming. I hope all that do make it, have a great time.

Update...Went on a cruise in January. Went with 3 friends to Jamaica, Grand Cayman Islands and Cozumel, Mexico. The weather was in the 80s while we were there. Had a great time.

Look forward to seeing you all soon, eh!

My bio will be brief. I want to thank everyone for the invitations to our reunion but I will not be able to attend this year.

2024 has been so far, confusing and eventful. The weather made it confusing. At time I couldn't tell if it was spring or still winter. But, then again that's Michigan!

I have had a lot of fun watching the deer. They eat my plants, frustrating. I love riding my mower and cutting grass. I also like riding my golf cart around my acre taking care of my flower beds.

Life has been good. Some up & downs, happy & sad times.

I thank God for all of them. God bless. Peace be with you.

During 2023-2024 I took classes and became a licensed chaplain and started water aerobics, at Delta, for my health.

Dear John & Kathy, Thank-you again for hosting the reunion a second time!

Unfortunately that's the same weekend our only grandson is in soccer tournament in Novi.

I just can't miss that special time with him.

Go to BHS1972.org to view and print our 2023 reunion pamphlet, with more biographies, messages and other information.

After High School, I went to Delta College and got an Associate's Degree. I had worked at a CPA firm for many years, entering information on the computer. I got other miscellaneous jobs and then finished my career at AT&T, which I retired from.

Hello everyone! 1972 WOW!!! After graduation I worked for Combustion Engineering for 3 years. It closed in late 1975 and shortly after, I hired in at General Motors, which later changed to Delphi Chassis. I put in 31 years as a machine repairman until it closed in 2011. I hired into Means Industry and retired in 2015. I married my wonderful wife Lori in 1977. We have a son and a daughter (both married), 2 young granddaughters and another grandchild on the way. In 2020, we sold our home in Saginaw Twp and we now reside in Sugar Springs. We are snowbirds spending our winters in our home in The Villages, FL. I've delt with cancer and open heart surgery in recent years but so far so good. We love golf, boating and traveling. Most of all, we love being with and doing things with family and friends and we are definitely enjoying our granddaughters. As far as my favorite teacher goes, I had a lot of them but the fastest was Mr. Kline. I saw him running down the aisle to the parking lot when Doug Amy was doing a smokey burnout in his Plymouth GTX - lol 😊

BA, 1976, Spring Arbor College (now University)

MSW, 1981, University of Michigan

Dave and I have been married since 1976, and our sons were born in 1982 and 1985. We moved to Chicago in 1983, where we've lived ever since. We own our home in the Independence Park neighborhood, and I serve on our neighborhood association board as Secretary and Tree Steward.

I was a social worker for over 40 years, working with homeless persons, teenaged mothers, as a psychotherapist, and finally as a dialysis social worker for 18 years, before retiring in 2020.

So far, I have been blessed with excellent health and abundant energy to pursue many interests.

My lifelong love is reading. I also enjoy travel, gardening and houseplants, hiking, nature, journaling, arts and crafts, quilting, cooking, volunteering, going on retreats, writing for and editing small newsletters, planting trees and other conservation activities, working as an election judge in our precinct, and staying fit. Plus socializing! Family, friends, neighbors, local politicians and their staffs, people from around the world, I love getting to know all kinds of people!

Dave is retiring in September, after 40+ years in ministry, and new adventures await us!

Although I actually hated high school, I am so excited to attend this reunion as I was unaware of any others? I worked a year after HS to hopefully figure out what it is I wanted to do. I discovered a smaller private college in Owosso (JWC) and auditioned for the Chamber Choir (not knowing this was strictly a Jr/Sr ensemble). Somehow, I got in and soon realized that a vocal major was in my future. BA Music Major and Theatre Minor. I loved college!! After graduation I won the Saginaw Symphony Vocal Competition, which led to being the entertainer for the Miss Michigan Competition. I did some regional theatre after that then traveled nationwide in two singing groups/bands, Free Spirit and Firebrand. Met my wife in the later and within several months of marriage discovered she didn't have the flu...she was pregnant! I wanted to keep traveling but a resounding NO was coming from my other half. I took a job at a hardware store, soon moved into management and was looking to purchase from owner. He wanted more time and I did not, so got a management position with Family Bookstores out of Grand Rapids. Worked a few years and acquired a Senior Buyer position at their headquarters where I faithfully remained for six years. Got a better offer from a competitor in Nashville and made the move south. I was a Senior Music Marketing Specialist for four years with Lifeway, acquiring knowledge, experience and children. We moved here with six and finished with a strong eight. Slow learner!! I soon learned I hated corporate as much as HS and took a leap of faith. QUIT! All of this time I had been doing tile work on the side as well as positions as Music Director at various churches, youth pastor, realtor, insurance sales etc. Can you tell my wife did not work outside the home? So, I opened a remodeling company, focusing mostly on tile jobs. With work from several contractors, my own jobs and flipping houses (21 in 8 years) I stayed very busy...until the stock market crash of 2008. I never thought my eggs were all in the same basket, but I was wrong. Several devastating years and the loss of my wife put me in a kind of funk. I have to say, after getting through all of that I am the best version of me that has existed for 70 years! I am semi-retired, splitting my time between Nashville, Gulf Shores, AL and cities around the country where my kids live, enjoying them and my ten grandchildren, the beach and traveling some. I thank God for always having my back. I love my life!!

Aloha all,

I have been waiting to respond concerning my attendance to the 2024 reunion. I was hoping to attend this year. Unfortunately the timing is not going to work this year.

Little has changed in my life during this last year. Still living in Hawaii and traveling to Michigan in the spring and fall. Spent some time traveling the world with Hawaii as my home base. Mostly retired but still doing some consulting work. I get my fair share of farm work here in Hawaii and at my parents farm in Michigan. My grandchildren are beginning to drive. (SCARY)

Like may of you I will be entering my seventies. Wishing all good health! Best Wishes to all!
